

ARJUN MEHTA

Senior Product Manager, Payments
Bengaluru

EXPERIENCE

Orchid Payments, Mar 2023 to now

Own the card acquiring platform
processing roughly 14 million
transactions a month across three
acquirers.

Led the move to a routing layer.

Authorisation rates improved from
84 percent to 91 percent.

Rebuilt retry logic after duplicate
charges. Added idempotency keys.

Silverline Fintech, 2019 to 2023

Built recurring payments to 3,200
merchants. Cut onboarding from
eleven days to four.

Mentored two associate PMs.
